

National Site Coordinator Achievement Award

January 2012 (excerpt from www.shorelinecleanup.ca) - **Congratulations to Paul Finkleman!** As Site Coordinator for the Weaselhead Natural Area in Calgary Alberta, he is this year's winner of the Site Coordinator Achievement Award. Paul has been volunteering in the community for over 15 years and graciously accepts this honour on behalf of his fellow volunteers. He is a true inspiration to shoreline cleanups and we are proud to recognize his accomplishments. **We'd also like to award "Honourable Mentions" to Kim Stegeman-Lowe (Squamish BC), Deryck Robertson (Peterborough ON) and Maria Riedyk (Edmonton AB).**

Each of our Site Coordinators plays a special role in keeping our waterways healthy, and we congratulate you all for a job well done this September. Your efforts will go a long way towards ensuring the health of our shorelines for years to come.
